

# Diamondback HD 10x50

[Optics & Mounting](#) > [Binoculars & Accessories](#) > [Binoculars](#)

Nobody wants to spend more than they have to for a solid pair of binoculars. But what if you could spend less while getting more out of your glass? That's what you get with these Vortex Optics Diamondback HD binoculars, which are designed to provide premium performance at a price you'll love. In the price vs. performance game, there's only one winner, and that's the Vortex Optics Diamondback HD binos. This optic option offers a clear, crisp sight picture and even ships with the company's GlassPak binocular harness, so you can keep your observation tool secured in the field. Magnification options in the Vortex Diamondback HD lineup include 8x, 10x and 12x options, with objective sizes ranging from 28mm to 50mm.

# VORTEX OPTICS Diamondback HD 10x50 Safety Instruction Guide

## Introduction

Thank you for choosing the Vortex Optics Diamondback HD 10x50 binoculars. This guide provides essential safety instructions to ensure the safe and effective use of your binoculars. Please read this guide carefully to understand how to use and care for your product, as well as the safety precautions necessary for a safe experience.

## General Safety Guidelines

- Ensure that the binoculars are used only for their intended purpose.
- Always supervise children when they are using the binoculars.
- Inspect the binoculars for any visible damage before use. Do not use if damaged.
- Store the binoculars in a safe place when not in use to prevent accidents.
- Avoid exposing the binoculars to extreme temperatures or moisture.
- Follow local regulations regarding the use of binoculars in specific areas, such as wildlife observation zones.

## Specific Safety Precautions for Use

- **Avoid Direct Sunlight:** Do not point the binoculars directly at the sun, as this can cause permanent eye damage.
- **Secure Handling:** Always use both hands to hold the binoculars to prevent dropping them.
- **Glass Protection:** Be cautious with the glass lenses; avoid touching them with fingers to prevent smudges and scratches.
- **Use the Harness:** Utilize the included GlassPak binocular harness to keep the binoculars secure while in use.
- **Avoid Excessive Force:** Do not apply excessive force when adjusting the focus or other settings on the binoculars.

## Instructions for Installation and Usage

### 1. Adjusting the Eyecups:

- Twist the eyecups up or down to accommodate eyeglass wearers.

### 2. Focusing the Binoculars:

- Close your right eye and use the center focus wheel to focus on a distant object with your left eye.
- Once focused, close your left eye and open your right eye. Use the right diopter adjustment to finetune the focus for your right eye.

### 3. Using the Binoculars:

- Hold the binoculars with both hands, ensuring a firm grip.
- Bring the binoculars up to your eyes, looking through the eyepieces.
- Adjust the focus wheel as necessary to achieve a clear view.

### 4. Cleaning the Binoculars:

- Use a soft, lintfree cloth to clean the lenses. Avoid using harsh chemicals or abrasive materials.

- Store the binoculars in a dry, cool place when not in use.

## **Disposal Instructions**

- When disposing of the binoculars, follow local regulations regarding electronic waste and optical devices.
- If the binoculars are no longer usable, consider recycling them at a designated electronic waste recycling facility.

## **Contact Information for Further Support**

For any questions or concerns regarding the Vortex Optics Diamondback HD binoculars, please refer to the product packaging or visit the manufacturer's website for additional support and resources.

Thank you for your attention to these safety guidelines. Enjoy your Vortex Optics Diamondback HD binoculars responsibly!
