[Optics & Mounting](#) > [Binoculars & Accessories](#) > [Binoculars](#)

Nobody wants to spend more than they have to for a solid pair of binoculars. But what if you could spend less while getting more out of your glass? That's what you get with these Vortex Optics Diamondback HD binoculars, which are designed to provide premium performance at a price you'll love. In the price vs. performance game, there's only one winner, and that's the Vortex Optics Diamondback HD binos. This optic option offers a clear, crisp sight picture and even ships with the company's GlassPak binocular harness, so you can keep your observation tool secured in the field. Magnification options in the Vortex Diamondback HD lineup include 8x, 10x and 12x options, with objective sizes ranging from 28mm to 50mm.

# Vortex Optics Diamondback HD 10x32 Safety Instruction Guide

## Introduction

Thank you for choosing the Vortex Optics Diamondback HD 10x32 binoculars. This guide is designed to provide you with essential safety information and instructions to ensure safe and effective use of your binoculars. Please read this manual carefully before using your product.

## General Safety Guidelines

To ensure safe use of your binoculars, please adhere to the following safety guidelines:

- Always use the binoculars in accordance with the manufacturer's instructions.
- Avoid using the binoculars in extreme weather conditions that may cause damage.
- Do not look directly at the sun through the binoculars, as this can cause serious eye damage.
- Keep the binoculars out of reach of children when not in use.
- Regularly inspect the binoculars for any signs of damage or wear before use.
- If you notice any defects or malfunctions, discontinue use immediately and contact the manufacturer.

## Specific Safety Precautions for Use

When using your Vortex Optics Diamondback HD binoculars, please observe the following precautions:

- Ensure that the binoculars are properly adjusted for your eyesight before use.
- Use the included GlassPak binocular harness to secure the binoculars while in the field.
- Avoid using the binoculars while walking or moving quickly to prevent accidents.
- If using the binoculars for extended periods, take regular breaks to avoid eye strain.
- Do not attempt to disassemble or modify the binoculars, as this may void the warranty and pose safety risks.

## Instructions for Installation and Usage

To ensure proper use of your binoculars, follow these instructions:

### 1. Adjusting the Binoculars:

- Hold the binoculars with both hands.
- Adjust the eyecups by twisting them up or down according to your preference (if applicable).
- Use the center focus wheel to adjust the clarity of the view.

### 2. Using the Binoculars:

- Look through the eyepieces and adjust the focus until the image is clear.
- Use the binoculars at a stable position to avoid shaking.
- When finished, store the binoculars in a protective case to prevent damage.

### 3. Caring for Your Binoculars:

- Clean the lenses with a soft, lintfree cloth.
- Avoid using harsh chemicals or abrasive materials.
- Store the binoculars in a cool, dry place when not in use.

## **Disposal Instructions**

When it comes time to dispose of your binoculars, please consider the following:

- Do not dispose of the binoculars in regular household waste.
- Check local regulations for proper disposal of optical equipment.
- If the binoculars are no longer functional, consider recycling the materials if possible.

## **Contact Information for Further Support**

For any safety inquiries or support regarding your Vortex Optics Diamondback HD binoculars, please refer to the manufacturer's website or customer service for assistance.

Thank you for following these guidelines to ensure your safety and enjoyment while using your binoculars.
