Vortex Optics Lens Cleaning Pen Safety Instructions

Introduction

Thank you for choosing the Vortex Optics Lens Cleaning Pen. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your lens cleaning pen. Please read this document carefully before using the product.

General Safety Guidelines

- Always use the lens cleaning pen in accordance with the manufacturer's instructions.
- Keep the lens cleaning pen out of reach of children to prevent accidental use or ingestion.
- Inspect the lens cleaning pen before each use for any signs of damage or wear. Do not use if damaged.
- Do not use the lens cleaning pen on surfaces other than optics, such as skin or clothing.
- Avoid using the lens cleaning pen in extreme temperatures or humidity to maintain its effectiveness.

Specific Safety Precautions for Use

- **Natural Hair Brush:** Ensure the brush is clean and free from contaminants before use. Do not use the brush if it appears soiled.
- **MicroCleaning Tip:** Use the microcleaning tip only on optical surfaces. Avoid applying excessive pressure to prevent scratches.
- **Static Charge:** The lens cleaning pen reduces static charge buildup; however, avoid using it in environments with high static electricity.
- **Storage:** Store the lens cleaning pen in a cool, dry place, ensuring the brush remains covered when not in use.

Instructions for Installation and Usage

1. Preparation:

- Remove the lens cleaning pen from its packaging.
- Ensure the lens cleaning pen is clean and free from any visible contaminants.

2. Using the Natural Hair Brush:

- Extend the brush by sliding it out of its housing.
- Gently brush away dust and debris from the lens surface using soft, sweeping motions.
- After use, retract the brush back into the housing to keep it clean.

3. Using the MicroCleaning Tip:

- Remove the cap from the microcleaning tip.
- Lightly touch the optical surface with the tip to remove smudges or fingerprints.
- Do not apply liquid or additional cleaning solutions to the microcleaning tip.
- After use, replace the cap securely to protect the tip from contamination.

4. PostCleaning:

- Inspect the lens for clarity and ensure all debris has been removed.
- Store the lens cleaning pen properly to maintain its condition.

Disposal Instructions

- Dispose of the lens cleaning pen in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the lens cleaning pen in regular household waste.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Vortex Optics Lens Cleaning Pen, please refer to the manufacturer's contact information provided with your product packaging or visit the official Vortex Optics website for assistance.

By following these safety instructions, you can ensure the optimal performance and longevity of your Vortex Optics Lens Cleaning Pen while maintaining a safe environment for yourself and others. Thank you for your attention to these guidelines.
