# VORTEX OPTICS FogFree Lens Cleaning Kit Safety Instructions

## Introduction

Thank you for choosing the VORTEX OPTICS FogFree Lens Cleaning Kit. This product is designed to help you maintain the clarity and performance of your optics, including binoculars, spotting scopes, eyeglasses, and sunglasses. To ensure safe use and optimal results, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified.
- Keep the cleaning kit out of reach of children and vulnerable individuals.
- Always check the product for any visible damage before use.
- Do not use the lens cleaner on damaged or cracked lenses.
- Follow all local regulations regarding the disposal of cleaning materials.

## Specific Safety Precautions for Use

- Use the lens cleaner in a wellventilated area to avoid inhalation of any vapors.
- Avoid contact with eyes. If contact occurs, rinse immediately with plenty of water and seek medical advice.
- Do not ingest the lens cleaner. If swallowed, seek medical assistance immediately.
- Store the lens cleaner in a cool, dry place away from direct sunlight.
- Do not mix the lens cleaner with other cleaning products or chemicals.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the surface of the lens is free from large debris or dirt.
- Shake the lens cleaner bottle gently before use.

### 2. Application:

- Spray a small amount of lens cleaner onto the lens or onto the VorTek microfiber cloth.
- Do not saturate the lens; a few sprays are sufficient.

### 3. Cleaning:

- Use the VorTek microfiber cloth to gently wipe the lens in a circular motion.
- Ensure that the entire surface is cleaned, including the edges.

### 4. Drying:

- Allow the lens to air dry after cleaning.
- Do not use paper towels or rough fabrics, as they can scratch the lens surface.

### 5. Storage:

- After use, store the cleaning kit in its original packaging or a safe location to prevent damage.

## **Disposal Instructions**

- Dispose of empty lens cleaner bottles and used microfiber cloths according to local waste disposal regulations.
- Do not dispose of cleaning products in drains or toilets.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the VORTEX OPTICS FogFree Lens Cleaning Kit, please contact your local distributor or visit the VORTEX OPTICS website for more information.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your VORTEX OPTICS FogFree Lens Cleaning Kit. Thank you for your attention to these important guidelines.
