

SAIGA - GRIP SG-M2 - PUFGUN Saiga - Griff SG-M2 / B

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

Simple and reliable design. Does not require modification of weapons, special tools or the involvement of a specialist - gunsmith. Attached to the weapon with screws (included).

Ergonomic design allows you to firmly hold the weapon. A raised lip at the front provides a comfortable position for the index finger in relation to the trigger.

Anti-slip rubberized textured surface. This increases the comfort and accuracy of firing, and reduces the shooter's fatigue. The handle is made with a certain angle back from the vertical. This grip is more effective in countering kickback. The handle has a cavity to reduce weight.

Excellent workmanship of parts and connections. The product does not emit additional noise during operation. The anatomical shape fits easily in the palm of your hand and provides an opportunity to avoid overstrain of muscles and joints during long operations with the weapon.

Operating temperature range, from -50 C to 110 C.

PUFGUN SAIGA GRIP SGM2 Safety Instruction Guide

Introduction

Thank you for choosing the PUGUN SAIGA GRIP SGM2. This grip is designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use the product properly and safely.

General Safety Guidelines

- Ensure that the grip is compatible with your weapon model (AK47, AK74, AKM).
- Always follow the manufacturer's instructions for your weapon.
- Use the grip only for its intended purpose.
- Keep the grip and weapon out of reach of children and unauthorized users.
- Regularly inspect the grip for wear and damage.
- In case of any issues, discontinue use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Do not modify the grip or weapon in any way that could impair safety.
- Ensure that the grip is securely attached to the weapon before use.
- Practice proper firearm handling techniques at all times.
- Avoid using the grip in extreme temperatures outside the operating range (50 C to 110 C).
- Be aware of your surroundings when using the weapon, and ensure a safe shooting environment.
- Use protective gear, including eye and ear protection, while shooting.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** Ensure you have the necessary screws (included) and a screwdriver.
2. **Position the Grip:** Align the grip with the designated attachment area on your weapon.
3. **Attach the Grip:** Securely fasten the grip using the screws provided. Ensure that it is tight but avoid overtightening, which may damage the grip or weapon.
4. **Check Stability:** Once installed, check that the grip is firmly attached and does not wobble.

Usage

- Hold the grip firmly with your dominant hand.
- Place your index finger on the raised lip in front of the trigger for optimal positioning.
- Maintain a steady stance and grip to enhance accuracy and reduce fatigue.
- Regularly practice to become accustomed to the grip's ergonomic design.

Disposal Instructions

- Dispose of the grip in accordance with local regulations regarding plastic and metal waste.
- If the grip is damaged or no longer usable, ensure it is disposed of safely to prevent injury to others.

Contact Information for Further Support

For any questions or concerns regarding the PUGUN SAIGA GRIP SGM2, please refer to the manufacturer's contact details provided with your product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience with your PUFGUN SAIGA GRIP SGM2. Thank you for prioritizing safety in your shooting activities.
