

SAIGA - GRIP SG-M2 - PUFGUN Saiga - Griff SG-M2-H / B, hard

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

Simple and reliable design. Does not require modification of weapons, special tools or the involvement of a specialist - gunsmith. Attached to the weapon with screws (included).

Ergonomic design allows you to firmly hold the weapon. A raised lip at the front provides a comfortable position for the index finger in relation to the trigger.

Anti-slip rubberized textured surface. This increases the comfort and accuracy of firing, and reduces the shooter's fatigue. The handle is made with a certain angle back from the vertical. This grip is more effective in countering kickback. The handle has a cavity to reduce weight.

Excellent workmanship of parts and connections. The product does not emit additional noise during operation. The anatomical shape fits easily in the palm of your hand and provides an opportunity to avoid overstrain of muscles and joints during long operations with the weapon.

Operating temperature range, from -50 C to 110 C.

PUFGUN SAIGA GRIP SGM2 Safety Instructions

Introduction

Thank you for choosing the PUFGUN Saiga Grip SGM2. This product is designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use, install, and maintain the grip safely.

General Safety Guidelines

- Ensure that the grip is compatible with your firearm model (AK47, AK74, AKM) before installation.
- Always handle firearms with care and follow all safety protocols associated with firearm use.
- Keep the grip and firearm out of reach of children and unauthorized users.
- Regularly inspect the grip for any wear or damage before each use.
- If you notice any defects or issues, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Use the grip only as intended and in accordance with the manufacturer's instructions.
- Avoid using the grip in extreme temperatures outside the operating range of 50 C to 110 C.
- Ensure that the grip is securely attached to the firearm using the screws provided.
- Do not modify the grip or firearm in any way that could compromise safety.
- Always wear appropriate eye and ear protection when firing a weapon.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Old Grip:** If applicable, remove the existing grip from the firearm.
3. **Align the Grip:** Position the PUFGUN Saiga Grip SGM2 onto the firearm, ensuring proper alignment with the mounting holes.
4. **Secure with Screws:** Use the screws provided to attach the grip firmly to the firearm. Ensure all screws are tightened adequately but do not overtighten to avoid damaging the grip.
5. **Final Check:** Verify that the grip is securely attached and that there is no movement when pulled.

Usage

- Hold the grip firmly while aiming and shooting to enhance stability and control.
- Utilize the ergonomic design to maintain a comfortable hand position, reducing muscle strain during prolonged use.
- Be mindful of the antislip surface, which is designed to improve grip during shooting.

Disposal Instructions

- Dispose of the grip in accordance with local regulations regarding plastic and metal waste.
- Do not incinerate the grip as it may release harmful substances.
- If the grip is damaged or no longer usable, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please consult the manufacturer's website or your local firearms dealer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your PUFGUN Saiga Grip SGM2. Thank you for your attention to safety!
