# MDT LSSXL Gen 2 Carbine Stock Chassis System Safety Instructions

## Introduction

Thank you for purchasing the MDT LSSXL Gen 2 Carbine Stock Chassis System for the Remington 700. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure safe handling and usage of the chassis system, particularly when using firearms.
- Be aware that this product is designed for specific firearms and should not be used with incompatible models.
- Always follow local laws and regulations regarding firearm modifications and use.
- Store the chassis system and all associated components in a secure location, away from children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always treat firearms as if they are loaded, even when you believe they are not.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that the firearm is unloaded before installation or maintenance of the chassis system.
- Use only AICStyle detachable magazines as specified for compatibility.
- Do not exceed the weight limit of the chassis system, as specified in the product specifications.
- Wear appropriate safety gear, including eye and ear protection, when using the firearm equipped with this chassis system.
- Be cautious of the potential for recoil; ensure you are in a stable shooting position.

## Instructions for Installation and Usage

### Installation Steps

#### 1. Gather Required Tools and Components

- AR carbinestyle buttstock
- Buffer tube
- Castle nut
- Pistol grip
- Required tools (e.g., wrenches, screwdrivers)

#### 2. Prepare the Firearm

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the existing stock from the Remington 700.

#### 3. Attach the Chassis System

- Align the chassis system with the action of the firearm.
- Secure the chassis system using the provided mounting hardware.
- Ensure all screws and bolts are tightened to the manufacturer's specifications.

#### **4. Install the Buttstock and Buffer Tube**

- Attach the buffer tube to the chassis system.
- Secure the buttstock to the buffer tube, ensuring a snug fit.

#### **5. Install the Pistol Grip**

- Attach the pistol grip to the chassis system using the provided screws.
- Ensure it is firmly secured.

### **Usage Instructions**

- Before each use, conduct a thorough inspection of the chassis system and all components.
- When loading the firearm, ensure the magazine is properly seated in the chassis system.
- Use the firearm in a safe and controlled environment, following all local regulations regarding shooting ranges or hunting areas.
- After use, clean and maintain the chassis system according to manufacturer recommendations.

### **Disposal Instructions**

- Dispose of the chassis system and any associated components in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is disposed of in a manner that prevents unauthorized use.
- Recycle materials where possible, following local recycling guidelines.

### **Contact Information for Further Support**

For any questions or concerns regarding the MDT LSSXL Gen 2 Carbine Stock Chassis System, please refer to the manufacturer's website or contact the authorized dealer from whom you purchased the product.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your MDT LSSXL Gen 2 Carbine Stock Chassis System. Always prioritize safety and compliance with local laws when using firearms. Thank you for your attention to these important safety measures.
