MDT LSSXL Gen 2 Carbine Stock Chassis System Safety Instructions

Introduction

Thank you for choosing the MDT LSSXL Gen 2 Carbine Stock Chassis System for your Remington 700. This guide provides important safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used in accordance with all local laws and regulations.
- Always handle firearms and firearm accessories responsibly.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- Do not use the product if it appears to be damaged or if any components are missing.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the chassis system.
- Use only compatible AR carbinestyle buttstocks and buffer tubes as specified.
- Ensure that the castle nut and pistol grip are securely attached before use.
- Use AICStype detachable magazines only, as other types may not fit securely.
- Avoid using the chassis system in extreme weather conditions that could affect performance.
- Do not modify the chassis system in any way that could compromise its safety or functionality.

Instructions for Installation and Usage

1. Preparation

- Ensure you have all necessary components: MDT LSSXL Gen 2 chassis, AR carbinestyle buttstock, buffer tube, castle nut, and pistol grip.
- Gather tools required for installation (e.g., screwdriver, wrench).

2. Installation

- Unload the firearm completely and ensure it is safe to handle.
- Remove the existing stock from the Remington 700 by following the manufacturer's instructions.
- Attach the MDT LSSXL Gen 2 chassis to the Remington 700 action as follows:
 - Align the chassis with the action and secure it using the provided screws.
 - Tighten screws to the manufacturer's recommended torque specifications.
- Attach the buffer tube to the chassis.
- Secure the castle nut and pistol grip to the buffer tube.
- Verify that all components are securely fastened.

3. Usage

- Before each use, inspect the chassis system to ensure it is in proper working condition.
- Familiarize yourself with the operation of the chassis system and associated components.
- Always follow proper firearm safety protocols when using your Remington 700 with the chassis system.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact their customer service directly.

Thank you for your attention to these safety instructions. Your safety and the safety of others is paramount. Enjoy using your MDT LSSXL Gen 2 Carbine Stock Chassis System responsibly.
