# MDT LSSXL Gen 2 Carbine Stock Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT LSSXL Gen 2 Carbine Stock Chassis System for your Tikka T3 or T3x rifle. This guide provides important safety information and instructions for the proper use, installation, and disposal of the product. Please read this guide carefully to ensure safe and effective use of your chassis system.

## General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded before installing or adjusting the chassis system.
- Keep the chassis system and all related components out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- Follow all local laws and regulations regarding firearms and their accessories.
- Be aware of your surroundings and ensure a safe environment when using your firearm.

## Specific Safety Precautions for Use

- Ensure that the chassis system is compatible with your specific model of Tikka T3 or T3x.
- Use only AICStyle detachable magazines as specified for the MDT LSSXL Gen 2.
- When using the chassis system, always use a properly installed AR carbinestyle buttstock and buffer tube.
- Use a castle nut and pistol grip that are compatible with the chassis system.
- Do not exceed the manufacturer's specifications for weight and use when attaching accessories to the chassis system.
- Avoid using the chassis system in harsh environments that could lead to corrosion or damage.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from your Tikka T3 or T3x.
- Install the MDT LSSXL Gen 2 chassis system according to the following steps:
  - Align the chassis system with the receiver of the rifle.
  - Secure the chassis system with the appropriate screws and tools provided in the package.
  - Attach the AR carbinestyle buttstock and buffer tube.
  - Install the castle nut and pistol grip securely.
- Check all connections and ensure that the chassis system is firmly attached.

### 2. Usage

- Before using the firearm with the new chassis system, conduct a function check to ensure proper operation.
- Always wear appropriate eye and ear protection when firing the rifle.
- Follow safe shooting practices, including keeping the muzzle pointed in a safe direction and keeping your finger off the trigger until ready to shoot.
- Regularly clean and maintain the chassis system to ensure optimal performance.

## **Disposal Instructions**

- Dispose of the chassis system and any related components in accordance with local regulations.
- Do not dispose of the chassis system in regular household waste.
- If the chassis system is damaged or no longer usable, consider recycling the materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT LSSXL Gen 2 Carbine Stock Chassis System, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on your responsible use of this product.
