

LSS-XL Gen 2 Carbine Stock Chassis System Tikka T3, T3x LA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS-XL Gen 2 Chassis System has a longer forend than standard LSS, plus many features from the ESS system. This one uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Uses AICS -type detachable magazines, Tikka T3 Long Action uses MDT 3.560" magazines.

MDT LSSXL Gen 2 Carbine Stock Chassis System

Safety Instruction Guide

Introduction

Thank you for choosing the MDT LSSXL Gen 2 Carbine Stock Chassis System for your Tikka T3 or T3x rifle. This guide provides important safety information, installation instructions, and usage guidelines to ensure the safe operation of your product.

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Always wear appropriate safety gear, including eye protection and hearing protection, when handling firearms.
- Keep the chassis system and all firearms stored securely and out of reach of children and unauthorized users.
- Regularly inspect the chassis system for signs of wear or damage. Do not use if any parts are damaged.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearms and their accessories.

Specific Safety Precautions for Use

- Only use the MDT LSSXL Gen 2 Chassis System with compatible Tikka T3 or T3x rifles.
- Ensure that the rifle is unloaded before installation and handling.
- Use only AICStyle detachable magazines with the MDT chassis system.
- When installing the chassis, ensure that all screws and attachments are tightened securely to prevent malfunction.
- Do not modify the chassis system or use it in any way that is not intended by the manufacturer.
- If you experience any issues with the chassis system, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure you have the necessary tools for installation, including a torque wrench.
- Gather all components, including the chassis, buttstock, buffer tube, castle nut, and pistol grip.

2. Installation Steps

- Remove the existing stock from your Tikka T3 or T3x rifle by unscrewing it from the action.
- Align the MDT LSSXL Gen 2 Chassis with the rifle action and secure it using the provided screws.
- Install the AR carbinestyle buttstock and buffer tube according to the manufacturer's specifications.
- Attach the castle nut and tighten it securely.
- Install the pistol grip and ensure it is fastened correctly.

3. Usage Instructions

- Load the AICStyle detachable magazine with the appropriate ammunition for your Tikka T3 or T3x.
- Insert the magazine into the chassis system until it clicks into place securely.
- Ensure that the rifle is pointed in a safe direction before loading and firing.
- Follow standard firearm safety practices during use.

Disposal Instructions

- Dispose of the chassis system and any components in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling materials where possible.
- Do not dispose of the chassis in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please refer to the manufacturer's contact information included in the product packaging or visit the official MDT website.

Thank you for prioritizing safety while using your MDT LSSXL Gen 2 Carbine Stock Chassis System. Enjoy your shooting experience responsibly!
