

LSS-XL Gen 2 Carbine Stock Chassis System Howa 1500 SA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS-XL Gen 2 Chassis System has a longer forend than standard LSS, plus many features from the ESS system. This one uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Howa Short Action requires MDT Polymer or Poly-Metal magazines. Also fits Weatherby Vanguard Short Action.

MDT LSSXL Gen 2 Carbine Stock Chassis System

Safety Instruction Guide

Introduction

Thank you for choosing the MDT LSSXL Gen 2 Carbine Stock Chassis System for your Howa 1500 Short Action rifle. This guide provides important safety information and instructions to ensure safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose and in accordance with the manufacturer's instructions.
- Always handle firearms and related equipment with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage.
- Do not modify the product in any way that could compromise its safety or performance.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate protective gear, including eye protection, when using firearms.
- Ensure that the firearm is unloaded before installing or adjusting the chassis system.
- Be aware of your surroundings and ensure a safe environment when handling firearms.
- Only use MDT Polymer or PolyMetal magazines with the Howa Short Action.
- Ensure that the castle nut and pistol grip are securely attached before use.
- Do not exceed the manufacturer's specifications for ammunition and accessories.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your workspace is clean and free of distractions.
- Gather all necessary tools and components, including the MDT LSSXL Gen 2 chassis, AR carbinestyle buttstock, buffer tube, castle nut, and pistol grip.

2. Installation Steps:

- Remove the existing stock from your Howa 1500 Short Action rifle.
- Attach the MDT LSSXL Gen 2 chassis to the rifle's action according to the manufacturer's instructions.
- Secure the chassis using the provided screws and ensure a tight fit.
- Install the AR carbinestyle buttstock and buffer tube onto the chassis.
- Use the castle nut to secure the buffer tube in place.
- Attach the pistol grip to the chassis, ensuring it is firmly in position.

3. Usage:

- Familiarize yourself with the operation of the chassis system and the firearm.
- Always check that the firearm is unloaded before handling or adjusting.
- Follow all safety protocols when firing the weapon.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding the disposal of firearms and related components.
- Do not dispose of the product in regular household waste.
- Consider recycling materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the MDT LSSXL Gen 2 Carbine Stock Chassis System, please refer to the manufacturer's website or contact their customer support for assistance. Ensure you have the product information ready for a more efficient response.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your MDT LSSXL Gen 2 Carbine Stock Chassis System responsibly.
