MDT LSSXL Gen 2 Carbine Stock Chassis System

Safety Instructions

Introduction

Thank you for choosing the MDT LSSXL Gen 2 Carbine Stock Chassis System. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure you are familiar with the operation of your firearm before using it with the MDT LSSXL Gen 2 Chassis.
- Store the chassis system and your firearm securely to prevent unauthorized access, especially by children.
- Use only compatible components and accessories with the chassis system.
- Regularly inspect the chassis and your firearm for signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and storage.
- Report any unsafe product experiences or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or detaching the chassis system.
- Do not modify the chassis system or use it in a manner not intended by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always use appropriate eye and ear protection when shooting.
- Do not use the chassis system if it is damaged or malfunctioning.
- Keep the chassis system out of reach of children and unauthorized users.
- Avoid using the chassis system in adverse weather conditions that may affect performance.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that your workspace is clean and free of distractions. Gather all necessary tools and components.
2. **Compatibility Check:** Confirm that your firearm is compatible with the MDT LSSXL Gen 2 Chassis System.
3. **Unloading:** Make sure the firearm is completely unloaded before beginning installation.
4. **Remove Existing Stock:** Detach any existing stock from your firearm following the manufacturer's instructions.
5. **Attach Chassis:** Align the MDT LSSXL Gen 2 Chassis with the firearm's action and secure it using the provided screws.
6. **Install Buttstock and Grip:** Attach an AR carbinestyle buttstock and pistol grip, ensuring they are securely fastened.
7. **Check Stability:** Once installed, check the stability of the chassis by gently shaking the firearm to ensure everything is secure.

Usage

- When using the MDT LSSXL Gen 2 Chassis System, ensure that you are familiar with the operation of your firearm.
- Always follow safe shooting practices and guidelines.

- Use AICStyle 3.715" long detachable magazines as specified for optimal performance.
- Regularly clean and maintain the chassis system as per the manufacturer's recommendations.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the chassis system is no longer usable, contact your local waste disposal service for guidance on proper disposal methods.
- Do not dispose of the chassis system in regular household waste if it contains any hazardous materials.

Contact Information for Further Support

For any inquiries regarding the MDT LSSXL Gen 2 Carbine Stock Chassis System, please refer to the manufacturer's contact information provided with your product. You can also check for updates or recalls on the EU's Safety Gate platform.

By following these safety instructions, you will help ensure a safe and enjoyable experience with your MDT LSSXL Gen 2 Carbine Stock Chassis System. Thank you for your attention to safety.
