MDT Soft Shell Jacket Safety Instructions

Introduction

Thank you for choosing the MDT Soft Shell Jacket. This guide provides essential safety instructions and guidelines to ensure the safe use and enjoyment of your jacket. Please read this document carefully before use.

General Safety Guidelines

- Always inspect the jacket for any signs of damage or defects before use.
- Keep the jacket away from sharp objects to avoid tearing.
- Do not use the jacket near open flames or high heat sources.
- Ensure that the jacket fits properly to prevent any hazards associated with loose clothing.
- Store the jacket in a cool, dry place when not in use.

Specific Safety Precautions for Use

- This jacket is designed for adult use. It is not intended for children.
- If you experience any allergic reactions to the materials, discontinue use immediately and consult a medical professional.
- Avoid wearing the jacket in extreme weather conditions without additional protective gear.
- Do not use the jacket for activities where it may become entangled in machinery or equipment.

Instructions for Installation and Usage

- Ensure the jacket is fully zipped before wearing to maintain warmth and protection.
- When putting on the jacket, ensure that your arms are fully through the sleeves and that the jacket is comfortably fitted.
- To clean the jacket, follow these instructions:
 - Machine wash in cold water on a gentle cycle.
 - Do not use bleach or fabric softeners.
 - Hang to dry or tumble dry on low heat.
- Do not iron the jacket or apply heat directly to any part of it.

Disposal Instructions

- When the jacket reaches the end of its life, dispose of it responsibly.
- Check local regulations for textile recycling or disposal options.
- If the jacket is damaged beyond repair, consider cutting it into smaller pieces to prevent misuse.
