MDT Soft Shell Jacket Safety Instructions

Introduction

Thank you for choosing the MDT Soft Shell Jacket. This guide provides essential safety instructions to ensure the safe use of your jacket. Please read this document carefully to understand how to use, care for, and dispose of your jacket safely.

General Safety Guidelines

- Ensure that the jacket is suitable for the intended use and weather conditions.
- Regularly inspect the jacket for any signs of wear, damage, or defects.
- Keep the jacket away from sharp objects to prevent tearing or puncturing.
- Store the jacket in a dry place to avoid mold and mildew growth.
- Follow the care instructions to maintain the jacket's durability and functionality.

Specific Safety Precautions for Use

- Avoid using the jacket in extreme weather conditions that exceed its design specifications.
- Do not use the jacket as a protective garment against hazardous materials or environments.
- Be cautious when wearing the jacket near open flames or high heat sources.
- Ensure that the jacket fits properly; a loose fit may pose a risk of entanglement.

Instructions for Installation and Usage

- **Wearing the Jacket:**
 - Unzip the jacket fully before putting it on.
 - Slip your arms into the sleeves and adjust the fit as necessary.
 - Zip the jacket to the desired level for comfort and warmth.
- **Care and Maintenance:**
 - Machine wash the jacket in cold water with similar colors.
 - Do not bleach or use fabric softeners.
 - Tumble dry on low heat or hang to dry.
 - Avoid ironing directly on logos or reflective materials.
- **Storage:**
 - Store the jacket in a cool, dry place away from direct sunlight.
 - Use a hanger to maintain its shape when not in use.

Disposal Instructions

- Dispose of the jacket responsibly according to local waste management regulations.
- If the jacket is damaged beyond repair, consider recycling the fabric if possible.
- Do not dispose of the jacket in regular household waste if it contains hazardous materials.
