

SEND IT SCOPE TUBE MOUNTING RINGS - LONG RANGE ARMS

35mm Send-iT Mounting Ring

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

The Long Range Arms Send It Scope Tube Mounting Rings are specifically designed to allow owners of the company's innovative Send iT rifle-leveling system to attach their levels to all standard riflescope tubes. The rings are machined from aluminum, feature a matte-black finish and can attach levels to the tube vertically or horizontally. Rings are available to fit optic tubes with diameters of 1 inch, 30mm and 34mm.

SEND IT SCOPE TUBE MOUNTING RINGS LONG RANGE ARMS 35mm Safety Instruction Guide

Introduction

Thank you for choosing the SEND IT SCOPE TUBE MOUNTING RINGS from Long Range Arms. These mounting rings are designed to securely attach levels to standard riflescope tubes, enhancing your shooting experience. This safety instruction guide provides essential information on the safe use, installation, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the mounting rings before use for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for the mounted scope.
- Ensure that the mounting rings are securely fastened to prevent any accidental detachment during use.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Regularly check the tightness of the mounting rings, especially after transportation.
- Use only compatible levels and scopes with the specified tube sizes (1 inch, 30mm, 34mm).

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools before starting the installation, including a screwdriver suitable for the screws used in the mounting rings.
- Ensure the rifle and scope are in a stable position to avoid any accidents during installation.

2. Installation Steps

- Carefully remove the mounting rings from their packaging.
- Align the rings with the riflescope tube, ensuring the desired orientation (horizontal or vertical) is achieved.
- Use the screws provided to secure the rings to the riflescope tube. Tighten the screws evenly to ensure a secure fit without overtightening.
- After installation, check the alignment of the scope and level to ensure accurate readings.

3. Usage

- Once installed, conduct a test to ensure the scope and level are functioning correctly.
- Make adjustments as necessary to achieve the desired accuracy and comfort.
- Always handle the rifle and scope with care during use to maintain safety and performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and aluminum materials.

- Do not dispose of the product in regular household waste.
- Consider recycling the aluminum components where possible.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact details available on the product packaging or the official website.

Thank you for prioritizing safety while using the SEND IT SCOPE TUBE MOUNTING RINGS. Your attention to these guidelines will help ensure a safe and enjoyable experience.
