

# SEND IT SCOPE TUBE MOUNTING RINGS - LONG RANGE ARMS

## 34mm Send-iT Mounting Ring

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

The Long Range Arms Send It Scope Tube Mounting Rings are specifically designed to allow owners of the company's innovative Send iT rifle-leveling system to attach their levels to all standard riflescope tubes. The rings are machined from aluminum, feature a matte-black finish and can attach levels to the tube vertically or horizontally. Rings are available to fit optic tubes with diameters of 1 inch, 30mm and 34mm.

# Safety Instruction Guide for SEND IT SCOPE TUBE MOUNTING RINGS LONG RANGE ARMS 34mm

## Introduction

Thank you for choosing the Long Range Arms Send It Scope Tube Mounting Rings. These mounting rings are designed to securely attach levels to standard riflescope tubes, enhancing your shooting accuracy. This guide provides essential safety instructions to ensure safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the mounting rings are compatible with your riflescope tube size (1 inch, 30mm, or 34mm).
- Always inspect the mounting rings for any signs of damage or wear before use.
- Use the mounting rings only for their intended purpose: attaching levels to riflescope tubes.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Follow all local laws and regulations regarding the use of firearms and related accessories.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when handling or using firearms.
- Ensure the firearm is unloaded before installing or adjusting the mounting rings.
- Do not exceed the recommended torque specifications when securing the mounting rings to avoid damage.
- Avoid using the mounting rings in extreme weather conditions, as this may affect their performance.
- If you notice any unusual behavior or performance issues with the mounting rings, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, such as a torque wrench and appropriate screwdrivers.
- Ensure you are working in a clean, welllit area.

### 2. Installation:

- Identify the correct size of the mounting rings for your riflescope tube.
- Loosen the screws on the mounting rings without removing them completely.
- Place the mounting rings around the riflescope tube at the desired location.
- Tighten the screws evenly, following the recommended torque specifications provided by the manufacturer.

### 3. Usage:

- Once installed, attach your level to the mounting rings.
- Ensure the level is securely fastened and functions correctly before using the firearm.
- Regularly check the tightness of the mounting rings during use, especially after extensive shooting sessions.

## Disposal Instructions

- Dispose of the mounting rings in accordance with local regulations for metal waste.
- Do not dispose of the product in household waste. Instead, use designated recycling facilities if available.

## Contact Information for Further Support

For any inquiries regarding the safety or usage of the Long Range Arms Send It Scope Tube Mounting Rings, please refer to the manufacturer's contact information provided on the product packaging or visit their official website.

## Conclusion

By following these safety instructions, you can ensure the safe and effective use of your Long Range Arms Send It Scope Tube Mounting Rings. Always prioritize safety and compliance with local regulations when using firearms and related accessories. Thank you for your attention to these important guidelines.
