

# SEND IT SCOPE TUBE MOUNTING RINGS - LONG RANGE ARMS

## 30mm Send-iT Mounting Ring

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

The Long Range Arms Send It Scope Tube Mounting Rings are specifically designed to allow owners of the company's innovative Send iT rifle-leveling system to attach their levels to all standard riflescope tubes. The rings are machined from aluminum, feature a matte-black finish and can attach levels to the tube vertically or horizontally. Rings are available to fit optic tubes with diameters of 1 inch, 30mm and 34mm.

# SEND IT SCOPE TUBE MOUNTING RINGS LONG RANGE ARMS 30mm Safety Instruction Guide

## Introduction

Thank you for choosing the Long Range Arms Send It Scope Tube Mounting Rings. These mounting rings are designed to securely attach levels to standard riflescope tubes, enhancing your shooting experience. This guide provides essential safety information and instructions to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is suitable for your specific riflescope tube size (1 inch, 30mm, or 34mm).
- Always inspect the mounting rings for any damage or wear before each use.
- Do not exceed the manufacturer's specifications for weight or usage.
- Keep the mounting rings out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always use the mounting rings in accordance with the manufacturer's instructions.
- Ensure that the mounting rings are securely fastened before use to prevent accidental detachment.
- Avoid using the product in extreme weather conditions that could affect its integrity.
- Do not modify the mounting rings in any way, as this may compromise safety.
- Be cautious when attaching or detaching levels to prevent injury from sharp edges.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation (e.g., screwdriver, level).
- Ensure that your work area is clean and free from distractions.

### 2. Installation of Mounting Rings

- Identify the correct size of the mounting rings for your riflescope tube (1 inch, 30mm, or 34mm).
- Open the mounting rings by loosening the screws using the appropriate tool.
- Position the mounting rings around the riflescope tube, ensuring they are aligned properly.
- Tighten the screws securely to fasten the rings in place, but do not overtighten to avoid damaging the tube.

### 3. Attaching Levels

- Choose whether to attach the level vertically or horizontally, based on your preference.
- Align the level with the mounting rings and secure it according to the manufacturer's instructions.
- Doublecheck that the level is securely attached before use.

### 4. PostInstallation Check

- Inspect the installation to ensure that everything is secure and correctly positioned.
- Test the setup by gently shaking the riflescope to ensure stability.

## Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling the aluminum material where possible.
- Do not dispose of the product in household waste.

## Contact Information for Further Support

For any safety inquiries, please refer to the manufacturer's website or customer support for assistance. It is essential to seek help if you have any questions or concerns regarding the use of the product.

By following these guidelines and instructions, you can ensure a safe and efficient experience with the Long Range Arms Send It Scope Tube Mounting Rings. Always prioritize safety and adhere to best practices for use.
