

Tru Dot FIXED PISTOL SET RUGER P94/P97 G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET RUGER P94/P97 G/G

Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET for your Ruger P94/P97. This safety instruction guide provides essential information to ensure the safe use and maintenance of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is installed correctly and securely to avoid any operational hazards.
- Always handle firearms with care, following standard safety practices to prevent accidents.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear before use.
- If you notice any issues with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the sights.
- Do not attempt to modify the sights beyond the manufacturer's specifications.
- Avoid exposing the sights to extreme temperatures or harsh chemicals, as this may affect their performance.
- When using the firearm, maintain a proper grip and stance to ensure stability and accuracy.
- Be aware of your surroundings and ensure a clear line of sight before firing.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded.
- Remove the existing front and rear sights from the firearm.
- Align the Tru Dot sights with the mounting points on the firearm.
- Secure the sights in place using the appropriate tools, following the manufacturer's guidelines.
- Make minor adjustments as necessary to ensure proper alignment.

2. Usage

- Familiarize yourself with the sighting system before use.
- Practice aiming with the Tru Dot sights in both daylight and lowlight conditions to enhance your shooting accuracy.
- Ensure that the sights are clean and free from obstructions before each use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product becomes damaged or is no longer in use, dispose of it responsibly. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Tru Dot FIXED PISTOL SET, please refer to the

manufacturer's website or contact an authorized dealer.

Conclusion

By following the guidelines and precautions outlined in this safety instruction guide, you can ensure a safe and effective experience with your Tru Dot FIXED PISTOL SET. Always prioritize safety and responsible usage to enjoy the full benefits of your product.
