

MEPRO FT BULLSEYE PISTOL REAR H&K 45 - MEPRO FT BULLSEYE PISTOL REAR H&K 45/P30/VP9/SFP9(NOT VP2020) R

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Runs on instinct. Runs at the speed of sight. The Mepro FT Bullseye™ sight is the fastest, brightest, and most intuitive tritium fiber optic sights we've ever built. This low-profile single-night-sight design is powered by fiber optics to master the day, while premium-grade tritium handles even the darkest blackout conditions. Aligning with a single central point of focus, the Mepro FT Bullseye™ has the feel of a red dot sight. These Meprolight® night sights are drop- and shockproof, built for endless rounds under heavy recoil, and make an excellent upgrade sight to pistols we service like Smith & Wesson, Springfield, IWI, Glock, and others. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure.

MEPRO FT Bullseye Pistol Rear Sight Safety Instruction Guide

Introduction

Thank you for choosing the Mepro FT Bullseye™ sight for your H&K 45, P30, VP9, or SFP9 pistol. This guide provides essential safety instructions to ensure the safe use and installation of your new sight. Please read this document carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Ensure that the Mepro FT Bullseye™ sight is installed by a qualified gunsmith or an experienced individual familiar with firearm accessories.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the sight and firearm out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of wear, damage, or misalignment.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Eye Injury:** Always ensure that the sight is properly installed to prevent any potential eye injury during use.
- **Handling Procedures:** When drawing your pistol, maintain a firm grip and avoid snagging on clothing or holsters to ensure safe handling.
- **Aiming:** The Mepro FT Bullseye™ sight is designed for instinctive aiming. Practice using the sight in a safe environment to familiarize yourself with its functionality.
- **Environmental Conditions:** Be aware that visibility may be affected in certain lighting conditions. Always ensure a clear line of sight before aiming.
- **Recoil Management:** Understand that heavy recoil may affect the alignment of the sight. Regularly check the sight's alignment after extensive use.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Tools:** You will need basic tools such as a screwdriver and possibly a sight pusher, depending on your firearm model.
2. **Unload Your Firearm:** Ensure that your firearm is completely unloaded before beginning the installation process.
3. **Remove Existing Sight:** If applicable, carefully remove the existing rear sight from your pistol.
4. **Align the Mepro FT Bullseye™ Sight:** Position the sight in the rear sight dovetail. Ensure it is aligned correctly with the front sight.
5. **Secure the Sight:** Use the appropriate tools to secure the sight in place. Ensure it is tightly fitted but avoid overtightening, which may damage the sight or firearm.
6. **Check Alignment:** Once installed, check the alignment with the front sight to ensure proper aiming.

Usage Instructions

- **Aiming:** To aim, focus on the central point of the Mepro FT Bullseye™ sight. The design allows for quick target acquisition.
- **Practice:** Familiarize yourself with the sight in a safe shooting range environment. Regular practice will enhance your aiming skills and comfort with the sight.
- **Maintenance:** Clean the sight regularly to ensure optimal performance. Use a soft cloth and avoid harsh

chemicals that may damage the sight.

Disposal Instructions

- Dispose of the Mepro FT Bullseye™ sight in accordance with local regulations for electronic waste and firearm accessories.
- Ensure that the sight is completely nonfunctional before disposal to prevent misuse.

Contact Information for Further Support

For any questions or concerns regarding the Mepro FT Bullseye™ sight, please consult the manufacturer's website or contact your local dealer for assistance. Always refer to the official sources for the most accurate and up-to-date information.

Thank you for prioritizing safety while using the Mepro FT Bullseye™ sight. Enjoy your shooting experience responsibly!
