GTS Patch Safety Instructions

Introduction

Thank you for choosing the GTS Patch. This product is designed to showcase your unique style and dedication to excellence. To ensure safe use and enjoyment, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the patch is used solely for its intended purpose of decoration on clothing or uniforms.
- Keep the patch away from fire or extreme heat to prevent damage.
- Regularly inspect the patch for any signs of wear or damage. If damaged, discontinue use.
- Store the patch in a cool, dry place away from direct sunlight to maintain its quality.
- Be aware of any allergies to materials used in the patch. If you experience any irritation, discontinue use immediately.

Specific Safety Precautions for Use

- The GTS Patch is not suitable for children under the age of 3 due to small parts that may pose a choking hazard.
- Avoid placing the patch on clothing that may come into contact with hazardous environments, such as industrial settings.
- Do not use the patch as a safety or protective device; it is for decorative purposes only.
- If the patch becomes soiled, clean it according to the care instructions provided (not included in this document).

Instructions for Installation and Usage

1. Choosing the Location:

- Select a clean, dry area on your jacket or uniform for the patch.
- Ensure the surface is free from dust and moisture.

2. Application:

- If the patch is ironon, place a thin cloth over the patch and use an iron on medium heat for approximately 10-15 seconds, applying firm pressure.
- If the patch is sewon, use a needle and thread to securely attach the patch to the desired area. Ensure all edges are stitched down.

3. Final Check:

- After application, check that the patch is securely attached and does not peel off easily.
- Avoid tugging or pulling on the patch to maintain its integrity.

Disposal Instructions

- Dispose of the patch responsibly if it is damaged beyond use.
- If the patch is made from synthetic materials, check local regulations for proper disposal methods.
- Do not incinerate the patch as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the GTS Patch, please refer to the relevant EU contact point or consumer safety authority in your area.

By following these guidelines, you can ensure a safe and enjoyable experience with your GTS Patch. Thank you for your attention to safety, and enjoy expressing your style!
