Safety Instruction Guide for Spindle for Seater Head M6/M4

Introduction

Thank you for choosing the Spindle for Seater Head M6/M4 by TRIEBEL. This guide provides essential safety instructions and usage guidelines to ensure the safe operation of your product. Please read this guide carefully before use and keep it for future reference.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the spindle away from children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Do not use the product if it is damaged or malfunctioning.
- Follow all local regulations regarding the disposal of products.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) when handling or using the spindle.
- Ensure that the work area is clean and free of hazards before installation or use.
- Avoid contact with moving parts during operation.
- Do not exceed the recommended load limits specified by the manufacturer.
- If you experience any unusual noises or malfunctions during use, stop immediately and inspect the product.

Instructions for Installation and Usage

1. Installation:

- Before installation, ensure that you have all necessary tools and components.
- Clean the installation area to remove any dust or debris.
- Align the spindle with the designated mounting point.
- Secure the spindle using the appropriate fasteners, ensuring a tight fit.
- Doublecheck the installation to ensure it is stable and secure.

2. Usage:

- Use the spindle only with compatible equipment and accessories.
- Follow the manufacturer's instructions for operating the equipment with the spindle.
- Monitor the spindle during use for any signs of wear or malfunction.
- If the spindle becomes loose during operation, cease use immediately and resecure it.

Disposal Instructions

- Dispose of the spindle in accordance with local waste management regulations.
- Do not dispose of the spindle with regular household waste.
- If the spindle is no longer usable, consider recycling it if possible.

Contact Information for Further Support
