Safety Instruction Guide for Spindle for Seater Head M6/M4

Introduction

Thank you for choosing the Spindle for Seater Head M6/M4 by TRIEBEL. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the spindle is used only for its intended purpose.
- Always follow the manufacturer's instructions and recommendations.
- Keep the spindle out of reach of children and vulnerable individuals.
- Regularly inspect the spindle for any signs of wear or damage.
- If you notice any defects, discontinue use immediately and contact the manufacturer.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use protective gear such as gloves and safety goggles during installation.
- Ensure that the working area is clean and free of hazards.
- Do not exceed the recommended torque specifications during installation.
- Avoid using the spindle in wet or humid conditions to prevent slipping.
- Do not modify the spindle or use it for purposes other than intended.
- Ensure that all parts are compatible before installation to avoid malfunction.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and equipment prior to installation.
- Ensure that the work area is welllit and organized.

2. Installation Steps

- Remove any existing components that will be replaced by the spindle.
- Align the spindle with the designated mounting points.
- Secure the spindle using the appropriate fasteners, ensuring they are tightened to the manufacturer's specifications.
- Doublecheck that all connections are secure and that there are no loose parts.

3. Usage Instructions

- After installation, test the spindle by gently applying pressure to ensure stability.
- Follow the operating instructions specific to the equipment that the spindle is used with.
- Monitor the spindle during use for any unusual noises or movements.

Disposal Instructions

- Dispose of the spindle in accordance with local regulations.
- Do not dispose of the spindle in household waste.

- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the spindle, please refer to the manufacturer's contact details provided with your product packaging. Ensure you have the product information ready for a more efficient response.

Thank you for your attention to these safety instructions. Proper use and maintenance of the spindle will help ensure its longevity and your safety.
