

Skeleton Rifle Stock - XTN - SRS-XF Premie - MDT Buttstock - Skeleton Rifle Stock - XTN Interface - SRS-XF Premier - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

MDT Skeleton Rifle Stock has Length of Pull adjustment via spacers and adjustable cheek rest with set screws. If using the MDT bolt handle, the buttstock side must fold last and unfold first to ensure it clears the bolt handle.

For chassis and actions requiring correct folding order to avoid contact (specified in notes), the buttstock side must fold last and unfold first to ensure it clears the bolt handle.

MDT Skeleton Rifle Stock Safety Instruction Guide

Introduction

Thank you for choosing the MDT Skeleton Rifle Stock XTN SRSXF Premier. This guide provides essential safety instructions to ensure the safe and effective use of your new product. Please read this document carefully before using the rifle stock.

General Safety Guidelines

- Ensure safe use of the MDT Skeleton Rifle Stock by following these guidelines:
 - Always inspect the rifle stock before each use for any signs of damage or wear.
 - Use the product only for its intended purpose as a rifle stock.
 - Keep the rifle stock away from children and vulnerable groups.
 - Report any unsafe conditions or incidents to the appropriate authorities.
 - Regularly check for updates on product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When using the MDT Skeleton Rifle Stock, please observe the following precautions:
 - Ensure that the length of pull adjustment is secure and does not shift during use.
 - Always use the adjustable cheek rest properly to maintain a stable shooting position.
 - If using the MDT bolt handle, ensure that the buttstock side folds last and unfolds first to avoid contact with the bolt handle.
 - Be aware of the correct folding order if your chassis or action requires it to prevent any potential hazards.
 - Do not modify the rifle stock in any way that could compromise its safety or functionality.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the MDT Skeleton Rifle Stock:

1. Installation:

- Ensure the rifle is unloaded and safe before beginning installation.
- Attach the rifle stock to the chassis according to the manufacturer's instructions.
- Adjust the length of pull using the provided spacers to fit your preference.
- Secure the adjustable cheek rest using the set screws to ensure stability.

2. Usage:

- Always check that the rifle stock is securely attached before use.
- When adjusting the length of pull or cheek rest, do so with care to avoid injury.
- Familiarize yourself with the folding mechanism and practice the correct folding and unfolding order.
- Maintain a proper grip and stance while using the rifle to ensure safety.

Disposal Instructions

- Dispose of the MDT Skeleton Rifle Stock responsibly:
 - Follow local regulations for the disposal of aluminum materials.
 - Do not dispose of the product in regular household waste if it is damaged or no longer usable.
 - Consider recycling options available in your area for aluminum products.

Contact Information for Further Support

- For any safety inquiries or further assistance, please contact the manufacturer or your local retailer. Ensure to have the product details ready for efficient support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Skeleton Rifle Stock. Thank you for prioritizing safety in your use of this product.
