# MDT Skeleton Rifle Stock Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Skeleton Rifle Stock XTN SRSXF Premier. This guide provides essential safety information and instructions for the proper use and maintenance of your product. Please read this manual carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always use the MDT Skeleton Rifle Stock in accordance with the manufacturer's instructions.
- Inspect the product regularly for any signs of wear or damage before use.
- Ensure that the product is used by individuals who are knowledgeable about firearm safety and handling.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or product malfunctions to the manufacturer or retailer.

## Specific Safety Precautions for Use

- **Length of Pull Adjustment**:
    - Adjust the length of pull using spacers only as instructed. Incorrect adjustments may affect your shooting posture and accuracy.
- **Cheek Rest Adjustment**:
    - The adjustable cheek rest should be securely fastened using the set screws. Ensure it is properly adjusted before each use.
- **Folding Mechanism**:
    - When folding the buttstock, ensure the buttstock side folds last and unfolds first to avoid contact with the bolt handle.
- **Bolt Handle Compatibility**:
    - If using the MDT bolt handle, doublecheck that the buttstock clears the bolt handle during operation to prevent any interference.
- **Chassis and Actions**:
    - Follow the specified folding order for any chassis and actions that require it to avoid contact and potential damage.

## Instructions for Installation and Usage

1. **Installation**:

    - Ensure you have all necessary tools before beginning installation.
    - Follow the manufacturer's installation instructions carefully to ensure proper fit and function.
    - Secure all components tightly but avoid overtightening, which may cause damage.

2. **Usage**:

    - Always check the adjustment of the length of pull and cheek rest before use.
    - Practice safe handling and storage of your firearm while using the MDT Skeleton Rifle Stock.
    - Familiarize yourself with the folding mechanism and ensure it operates smoothly before use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in household waste. Check with local authorities for appropriate disposal methods.

# Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please contact the manufacturer or retailer where the product was purchased.

By following these guidelines and instructions, you can ensure the safe use of your MDT Skeleton Rifle Stock. Thank you for prioritizing safety and compliance with EU regulations.
