

LSS Gen3 Kit SA - MDT Chassis - LSS Gen3 System - Howa 1500 - SA - RH - Competitor - FDE

If you're building a match rifle and want to skip the guesswork, the MDT LSS GEN3 Competition Kit is your solution. It takes the most modular rifle chassis system on the market and tunes it for one thing: winning competitions.

No part picking. No mismatched accessories. Just a rock-solid, competition-ready rifle foundation—straight out of the box. Every component in this kit is hand-selected to give you the edge in PRS, NRL, and precision rifle matches. It's not just modular—it's optimized.

The flat, wide Competition Forend with an integrated ARCA rail makes running barricades automatic. Lock in your tripod, clamp your bipod, and go. This isn't a compromise. You get the same rock-solid fitment and zero-retention that the GEN3 is known for—with competition-grade parts pre-installed.

Already a beast, yet still fully modular. Swap the grip. Switch the stock. Add weights, bridges, or accessories. Make it yours.

Attributes

- Name: MDT Chassis - LSS Gen3 System - Howa 1500 - SA - RH - Competitor - FDE
- Manufacturer: MDT
- Product no.: EU2014588

Safety Instruction Guide for LSS Gen3 Kit SA MDT Chassis

Introduction

Thank you for choosing the LSS Gen3 Kit SA MDT Chassis. This guide provides essential safety instructions and usage guidelines to ensure your safety and the optimal performance of your product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always handle the product with care to avoid injury or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage. Do not use if damaged.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay informed about any recalls or safety alerts regarding this product by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as eye protection and gloves, when using the rifle chassis.
- Ensure that the rifle is unloaded before attaching or detaching any components.
- Follow the manufacturer's instructions for assembly and disassembly to avoid accidents.
- Do not exceed the recommended weight limits for accessories and attachments.
- Use only compatible accessories and parts specified for the LSS Gen3 Kit to maintain safety and performance.
- Be aware of your surroundings when using the product, especially in shooting environments.

Instructions for Installation and Usage

1. Unpacking the Kit

- Carefully remove the kit from its packaging.
- Check that all components listed in the product description are included.

2. Assembly Instructions

- Attach the chassis to the Howa 1500 action following the manufacturer's guidelines.
- Securely fasten all screws and components to ensure stability.

3. Adjustments

- Adjust the grip and stock to suit your comfort and shooting style.
- Ensure that all adjustments are tightened and secure before use.

4. Usage

- Always ensure the rifle is pointed in a safe direction when handling.
- When using the chassis in a competition setting, familiarize yourself with the specific rules and regulations of the event.
- Practice safe shooting techniques and maintain control of the rifle at all times.

5. Maintenance

- Regularly clean and inspect the chassis for dirt, debris, or damage.
- Follow the manufacturer's recommendations for cleaning and maintenance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of electronic components in regular household waste.
- Check with local authorities for proper disposal methods for aluminum and other materials used in the product.
