

LSS Gen3 Kit SA - MDT Chassis - LSS Gen3 System - Howa 1500 - SA - RH - Tactical - BLK

Need one rifle that can do it all? Start here. The MDT LSS GEN3 Tactical Kit is built around flexibility, reliability, and rugged performance. Whether you need a dependable truck gun, a backcountry bolt rig, or a custom setup for the range, this kit has you covered.

You get the familiar AR-15 feel you know, combined with bolt-action precision you can trust. Fully capable. Fully upgradeable. Ready for anything.

This isn't some lightweight, minimalist build. The Tactical Kit is made to take a beating and keep going—featuring a rock-solid fit, a rigid forend, and durable construction throughout. Built to work. Built to last.

The SCS Buttstock gives you toolless control over length of pull, cheek height, and buttpad position, letting you dial in your setup on the fly. The Tactical Forend comes loaded with M-LOK slots on all five faces, ready for whatever your mission demands—bipod, weights, sling, light, spare rounds, and more.

Tough. Adaptable. Reliable. Whatever you throw at it, the MDT LSS GEN3 Tactical Kit is ready.

Safety Instructions for the LSS Gen3 Kit SA MDT Chassis

Introduction

Thank you for choosing the LSS Gen3 Kit SA MDT Chassis. This product is designed for versatility and performance, making it suitable for various shooting applications. To ensure your safety and the safe use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Wear appropriate safety gear, including eye and ear protection, when using the firearm.
- Familiarize yourself with local laws and regulations regarding firearm ownership and use.
- Regularly inspect the firearm and its components for wear or damage.
- Do not modify the firearm or its components without consulting a qualified gunsmith.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the LSS Gen3 Kit is compatible with your firearm model before installation.
- Do not exceed the manufacturer's recommended specifications for ammunition and accessories.
- Be aware of your surroundings and ensure that the area is clear of bystanders when firing.
- Use only MLOK compatible accessories with the Tactical Forend.
- Adjust the SCS Buttstock only when the firearm is not in use to avoid accidental discharge.
- Do not attempt to disassemble the kit or its components without proper knowledge and tools.
- Always follow the manufacturer's instructions for installation and usage.

Instructions for Installation and Usage

1. Installation of the LSS Gen3 Kit:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock and forend from the firearm.
- Attach the Tactical Forend by aligning it with the mounting points on the firearm and securing it according to the manufacturer's instructions.
- Install the SCS Buttstock by sliding it onto the buffer tube and securing it in place.
- Adjust the length of pull, cheek height, and buttplate position to fit your preferences.

2. Usage:

- Before each use, check that the firearm is unloaded and inspect the kit for any damage.
- Load the firearm only when you are ready to shoot.
- Maintain a firm grip on the firearm and ensure a stable shooting position.
- After use, clean and maintain the firearm and the LSS Gen3 Kit according to the manufacturer's guidelines.

Disposal Instructions

- Dispose of the LSS Gen3 Kit in accordance with local regulations regarding the disposal of firearm components.
- Do not dispose of the kit in regular household waste.
- Consider recycling components where possible, or consult a professional for proper disposal methods.

Contact Information for Further Support
