# LSS Gen3 SA MDT Chassis Safety Instruction Guide

## Introduction

Thank you for choosing the LSS Gen3 SA MDT Chassis for your Howa 1500 rifle. This guide provides essential safety instructions to ensure the safe and effective use of your new chassis. Please read through this document carefully to understand how to handle, install, and maintain your product safely.

## General Safety Guidelines

- Always treat your rifle as if it is loaded, even if you believe it is not.
- Ensure that the chassis is compatible with your specific rifle model before use.
- Store the chassis and any related components in a secure location, out of reach of children and unauthorized users.
- Inspect the chassis regularly for signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- Use only manufacturer-recommended accessories and components with your chassis.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the chassis is securely attached to the rifle before handling.
- Avoid placing your finger on the trigger until you are ready to shoot.
- Always point the rifle in a safe direction, away from people and property.
- Use proper eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the chassis or rifle in ways that could compromise safety or functionality.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Gather all necessary tools and components for installation.

### 2. Installation Steps:

- Remove the original stock from the rifle according to the manufacturer's instructions.
- Align the rifle's action with the LSS Gen3 chassis.
- Secure the action into the chassis using the provided screws and tools, ensuring that it is firmly attached.
- Attach your chosen forend, buttstock interface, buttstock, and grip as per your preference.
- Doublecheck all connections to ensure they are tight and secure.

### 3. Usage:

- Once installed, familiarize yourself with the rifle's operation in its new configuration.
- Conduct a function check to ensure everything operates smoothly.
- Store the rifle properly when not in use.

## Disposal Instructions

- Dispose of the chassis and any components responsibly, following local regulations for hazardous materials.
- If the chassis is damaged beyond repair, contact your local waste management facility for guidance on proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the LSS Gen3 SA MDT Chassis, please consult your retailer or manufacturer for assistance. Always ensure you have the latest information regarding product recalls or safety notices.

By following these safety guidelines, you can ensure a safe and enjoyable experience with your LSS Gen3 SA MDT Chassis. Thank you for your attention to safety and responsible firearm use.
