# Costa Winchester 94 Stock Set (Root Beer) Safety Instruction Guide

## Introduction

Thank you for choosing the Costa Winchester 94 Stock Set in the custom "Root Beer" color. This product is designed for post-1964 Winchester 94 rifles, providing premium modularity and enhanced handling. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is compatible with your rifle model before use. The Costa Winchester 94 Stock Set is not compatible with Mossberg 464 rifles or topeject rifles.
- Always follow the manufacturer's instructions for installation and usage to prevent accidents or damage.
- Store the product in a safe place, out of reach of children and vulnerable individuals.
- Regularly inspect the stock set for any signs of wear or damage. Do not use the product if damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the rifle is unloaded before installing or adjusting the stock set.
- Use caution when handling tools during installation to avoid injury.
- Do not exceed the recommended length of pull when adjusting the Ranger Point Adjustable Butt Stock.
- Ensure that all components are securely fastened before using the rifle.
- Be aware of your surroundings when using the rifle to avoid unintended harm to yourself or others.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the necessary tools for installation, including a screwdriver and any other required tools as specified in the product manual.
- Clear a safe workspace to perform the installation.

### 2. Installation of Handguard Rail System:

- Remove the existing handguard from your Winchester 94 rifle.
- Align the Costa Handguard Rail System with the rifle's receiver.
- Securely attach the handguard using the provided mounting screws.
- Ensure that the handguard is firmly in place and check for any movement.

### 3. Installation of Ranger Point Adjustable Butt Stock:

- Remove the existing butt stock from your rifle.
- Attach the Ranger Point Adjustable Butt Stock to the rifle's receiver.
- Adjust the length of pull to your preference (standard LOP is 12.5"/31.8 cm).
- Ensure the adjustable cheek riser is securely positioned.

### 4. Final Check:

- After installation, doublecheck all screws and fittings to ensure they are tight.
- Test the functionality of the stock set by performing a dry fire (without ammunition) in a safe environment.

## 5. Usage:

- When using the rifle, maintain a firm grip on the handguard and butt stock.
- Utilize the MLOK slots for attaching accessories as needed.
- Always follow safe firearm handling practices.

## Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- If the product is damaged beyond repair, ensure that it is rendered unusable before disposal.
- Recycle materials where possible, especially aluminum components.

## Contact Information for Further Support

For any questions or concerns regarding the Costa Winchester 94 Stock Set, please refer to the manufacturer's contact information provided in the product packaging or manual.

Thank you for your attention to these safety guidelines. Enjoy using your Costa Winchester 94 Stock Set responsibly and safely!
