Marlin Dark 44 Mag Comet Brake Safety Instruction Guide

Introduction

Thank you for choosing the Marlin Dark 44 Mag Comet Brake. This product is designed to enhance your shooting experience by reducing recoil and muzzle flash. To ensure safe and effective use, please read this safety instruction guide carefully. It is important to follow all guidelines and precautions to maintain safety for yourself and others.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using the Marlin Dark 44 Mag Comet Brake.
- Always treat every firearm as if it is loaded.
- Store firearms and accessories in a secure place, out of reach of children and unauthorized users.
- Use appropriate personal protective equipment (PPE) such as eye and ear protection when shooting.
- Follow all local laws and regulations regarding firearms and accessories.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- The Marlin Dark 44 Mag Comet Brake is intended for use with original Marlin Dark 1895 rifles (pre2020 models with Remington MR serial numbers) and Marlin Dark Series 444 rifles.
- Do not attempt to use the brake with firearms not specified in the compatibility section.
- Ensure that the brake is properly installed before firing your firearm.
- Regularly inspect the brake for signs of wear or damage. Do not use if damaged.
- Be cautious of the increased noise level when using the brake, as it may be louder than shooting without it.
- Always follow the manufacturer's instructions for the safe operation of your firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the muzzle of the barrel to remove any debris.
- Apply blue Loctite to the threads of the brake.
- Handtighten the brake onto the barrel, ensuring it is secure but do not overtighten.
- The brake should extend 25 mm beyond the barrel when installed.
- Allow the Loctite to cure as per the manufacturer's instructions before using the firearm.

2. Usage:

- Always check that the brake is properly secured before each use.
- Fire the firearm in a controlled environment, ensuring that all safety precautions are followed.
- Be aware of the recoil reduction effect, which may alter your shooting stance or grip.

Disposal Instructions

- Dispose of the Marlin Dark 44 Mag Comet Brake in accordance with local regulations.
- If the brake is damaged or no longer usable, do not dispose of it in regular waste. Contact local waste management for guidance on proper disposal.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the contact information provided with the product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure a safe and enjoyable experience with your Marlin Dark 44 Mag Comet Brake. Always prioritize safety and responsible usage. Thank you for your attention to these important safety instructions.
