Winchester 94 Butt Stock Takedown Screw Safety Instruction Guide

Introduction

Thank you for choosing the Winchester 94 Butt Stock Takedown Screw from Ranger Point Store. This product is designed to enhance the portability and storage convenience of your Winchester 94 rifle. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Winchester 94 Butt Stock Takedown Screw by following the instructions provided. This product complies with the EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** Stay informed about potential recalls. Regularly check for updates regarding safety notices related to this product.
- **Online Shopping:** If purchased online, ensure that the platform meets the same safety requirements as physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on unsafe products.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the takedown screw is compatible with your specific Winchester 94 model and caliber.
- **Inspection:** Before each use, inspect the screw for any signs of damage or wear. Do not use if damaged.
- **Proper Handling:** Handle the screw with care to avoid injury. Use caution when removing or installing the butt stock.
- **Avoid OverTightening:** Do not overtighten the screw as it may cause damage to the rifle or the screw itself.
- **Storage:** Store the screw in a dry place to prevent corrosion or damage.

Instructions for Installation and Usage

1. Preparation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Gather necessary tools: a pocket coin or similar object for unscrewing.

2. Installation:

- Locate the existing butt stock screw on your Winchester 94 rifle.
- Using the pocket coin, gently unscrew the existing screw in a counterclockwise direction.
- Remove the existing screw and set it aside in a safe location.
- Take the Winchester 94 Butt Stock Takedown Screw and align it with the screw hole.
- Using the pocket coin, screw the new takedown screw in a clockwise direction until snug. Do not overtighten.

3. Usage:

- To remove the butt stock, use the pocket coin to unscrew the takedown screw in a counterclockwise direction.

- Store the screw in a safe place when not in use to prevent loss.

Disposal Instructions

When the Winchester 94 Butt Stock Takedown Screw is no longer needed or is damaged beyond use, dispose of it responsibly. Follow local regulations for metal disposal or recycling. Do not dispose of in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the Winchester 94 Butt Stock Takedown Screw, please refer to the contact information provided by the retailer or manufacturer from whom you purchased this product. They can provide assistance and additional safety information.

By following these safety instructions, you can ensure the safe and effective use of the Winchester 94 Butt Stock Takedown Screw. Thank you for your attention to safety.
