

M1500 MAGAZINE KITS - ATI M1500 FLOOR & 10RND 270/25-06/30-06 DM KIT

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

The AmmoBoost ATIK10R conversion kit upgrades your Howa 1500 short-action rifle by replacing the factory internal magazine with a 10-round detachable box magazine. Its drop-in design ensures quick, simple installation with no permanent modifications required. This kit provides increased capacity, faster reloads, and enhanced convenience for both range use and field applications.

Key Features:

- Converts the factory internal magazine to a detachable 10-round box magazine
- Designed specifically for Howa 1500 short-action rifles
- Durable, lightweight polymer construction
- Includes all necessary components: magazine, trigger guard, and floorplate

HOWA M1500 Magazine Kits Safety Instruction Guide

Introduction

Thank you for choosing the HOWA M1500 Magazine Kit. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this manual thoroughly before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or removing the magazine kit.
- Do not use the magazine kit with incompatible ammunition.
- Avoid exposing the magazine kit to extreme temperatures or harsh chemicals.
- Use only the components included in the kit for installation; do not substitute with other parts.
- Check the magazine for proper seating and functionality before use.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Steps

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary tools and components from the kit.

2. Remove the Factory Magazine:

- Locate the magazine release mechanism on the Howa 1500 rifle.
- Press the release button or lever to detach the factory internal magazine.

3. Install the New Magazine:

- Align the new 10round detachable box magazine with the magazine well.
- Push the magazine firmly into place until it clicks securely.

4. Install the Trigger Guard and Floorplate:

- If applicable, follow the instructions included in the kit to install the trigger guard and floorplate.
- Ensure all components are securely fastened.

5. Final Check:

- Inspect the installation to confirm that no parts are loose or improperly aligned.

- Conduct a functionality test by inserting and removing the magazine.

Usage Instructions

- Load the magazine with compatible ammunition according to the manufacturer's specifications.
- Insert the magazine into the firearm and ensure it locks in place.
- Always follow safe firearm handling practices while using the rifle.

Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local regulations.
- Do not throw away the magazine kit in regular household waste.
- Contact local authorities or recycling centers for proper disposal methods.

Contact Information for Further Support

For further support and inquiries about safety, please reach out to your local HOWA representative or authorized dealer. Ensure you have the product details ready for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your HOWA M1500 Magazine Kit. Thank you for your attention to safety!
