

Nylon Best Bore Brush, .375 Cal 3-Pack

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

The Tipton Best Nylon Bore Brush is built for serious shooters who demand fast, effective, and safe barrel cleaning. Extra-stiff bristles cut through copper fouling, stubborn carbon, and residue to significantly reduce cleaning time. Unlike standard nylon brushes, the thick bristles resist breakdown from aggressive scrubbing and harsh cleaning solvents, delivering long-lasting performance.

Designed with a non-marring brass core, this brush is 100% safe for both rifle and pistol barrels. Available in 14 sizes from .17 caliber to .50 caliber, the Tipton Best Nylon Bore Brush provides superior cleaning power across a wide range of firearms. Sold in packs of three.

Safety Instruction Guide for Tipton Best Nylon Bore Brush

Introduction

Thank you for choosing the Tipton Best Nylon Bore Brush, designed for effective and safe barrel cleaning for both rifles and pistols. This guide provides essential safety instructions and information to ensure your safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** The Tipton Best Nylon Bore Brush is designed to be safe for use with firearms. Always follow the safety guidelines provided to minimize any risks.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized notices. Ensure you keep updated with recall information.
- **Online Shopping:** If purchased online, know that you have the same safety protections as if you bought it in a physical store.
- **Special Consumer Focus:** This product is designed for adult users. Keep out of reach of children to avoid any potential hazards.
- **EU Contact Point:** For any safety inquiries, ensure you have access to the relevant EU-based contact information.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- Always inspect the bore brush for damage before use. Do not use if bristles are frayed or worn.
- Use only as intended. This brush is designed specifically for cleaning firearm barrels.
- Always ensure the firearm is unloaded before cleaning.
- Avoid excessive force when using the brush to prevent damage to the barrel.
- Do not immerse the brush in cleaning solvents for extended periods, as this may degrade the bristles.
- Store the bore brush in a dry place, away from direct sunlight, to prevent deterioration.

Instructions for Installation and Usage

- **Installation:**

1. Attach the bore brush to a cleaning rod compatible with your firearm.
2. Ensure the brush is securely fastened to prevent detachment during use.

- **Usage:**

1. Before cleaning, ensure the firearm is unloaded and pointed in a safe direction.
2. Insert the bore brush into the barrel from the chamber end (if applicable) or from the muzzle end.
3. Gently push the brush through the barrel, using a smooth, consistent motion.
4. Pull the brush back through the barrel to remove fouling and debris.
5. Repeat as necessary until the barrel is clean.
6. After cleaning, remove the brush and clean the cleaning rod to prevent contamination.

Disposal Instructions

- Dispose of the bore brush responsibly. Do not throw it in regular household waste.
- If the brush is damaged or worn out, consider recycling the materials where possible.
- Follow local regulations regarding the disposal of cleaning tools and materials.

Contact Information for Further Support

For any questions or further assistance regarding the Tipton Best Nylon Bore Brush, please refer to the contact information provided with your product or on the packaging.

By following these guidelines, you can ensure a safe and effective cleaning experience with your Tipton Best Nylon Bore Brush. Stay safe and enjoy your shooting activities!
